Subject: EQSS OverWatch™ System installed on JLG Scissor Lifts

To whom it may concern:

JLG considers the installation of EQSS overwatch system on applicable JLG Scissor Lift models in Australia and New Zealand, an approved modification.:

For EQSS OverWatch™ system information and support please contact EQSS directly at, <http://www.eqss.com.au>. This includes the following and applies whether the system was installed by JLG or by the machine owner:

- Instruction/operation manuals.
- System operation and service training
- Technical support
- Service and Warranty information
- Plant design registration alteration if applicable
- Standards compliance questions

The current owner, operator, and user are responsible for the safe and proper operation and utilization of the elevating work platform. JLG Industries, Inc. assumes no responsibility or liability for incidents involving personal injury, property damage, or equipment damage that may occur from the improper utilization of JLG products.

Sincerely,  
JLG INDUSTRIES, INC.
