

Subject: Installation of EQSS Model6253 System on LGMG Scissor Lifts

To whom it may concern:

Subject to the terms and conditions of this letter, LINGONG GROUP JINAN HEAVY MACHINERY CO., LTD conditionally approves the installation of EQSS System on LGMG scissor lifts. EQSS or the party responsible for the modification assumes the responsibility of the manufacturer including ensuring the modified machines comply with all applicable standards, obtaining appropriate third party certification, and providing all warranty, liability, service parts and support.

This approval is valid for EQSS System installed from October 2021 through October 2022, and is only valid for LGMG scissors sold in Australia. Approved machines are: AS0607E、 AS0808E、 AS0812E、 AS1012E、 AS1212E、 AS1413E、 SS0407E、 SR1623D、 SR1323D、 SR1023D、 SR1018D、 SR1218D、 SR1023D (With Stabilisers).

The owner/employer/user/operator shall carry out modification complied with all conditions, instructions and warnings contained in this letter. For EQSS Model6253 system information and support please contact EQSS directly at, <http://www.eqss.com.au>. The operation of the Device on to the machine must be complied with the requirements of EQSS. LGMG assumes no responsibility or liability for any incident involving personal injury, property damage, or equipment damage that may occur from the improper modification and utilization of LGMG products.

Owner/Employer/User/Operator Requirements:

- 1) No modification to the LGMG equipment. Or use of it outside the proposed application, is permitted outside the approval criteria contained hereinafter.
- 2) A copy of this letter must accompany the operators manual at all times in the weather resistant storage compartment located on the equipment at the job-site where this modification/application is approved and authorized by the user/employer.
- 3) Fabrication, attachment, and use of the EQSS must be approved and authorized by the equipment owner.
- 4) It is the responsibility of Equipment Safety Systems Pty Ltd (EQSS) to perform a hazard analysis on the design, installation, and use of the EQSS System, and to ensure that the equipment complies with the essential health and safety requirements applicable to the jobsite, as well as local, state,

provincial, and federal rules and regulations, and standards related to the use of the equipment.

- 5) Operators must be trained and qualified how to safely operate the modified equipment, or use it in the proposed application, and be familiar with the specific model of LGMG equipment as follows:
 - a) Be familiar, and comply, with the equipment operating and safety manuals.
 - b) Understand all control functions, decals and warnings.
 - c) Be aware of and understand all safety devices specific to the equipment being used.
 - d) Be instructed regarding the specific hazards associated with using the LGMG equipment, in its modified state, or in the proposed application, and utilize all means, including those provided by the user/employer, to avoid them.
- 6) The user/employer and the operator shall comply with all applicable jobsite, local, state, provincial, or federal rules, regulations, and standards related to the use of the equipment and its modification.
- 7) The LGMG equipment must be in proper working condition and configuration.
- 8) The EQSS System should not interfere with, or obstruct, the safe use or normal operation of the machine in any way, including but not limited to:
 - a) lanyard attachment points
 - b) operator controls
 - c) entry and exit points, including ladders etc.
 - d) moving components
 - e) scissor lift control system
- 9) No drilling, welding, or other modification to the scissor lift structure or components is permitted in the installation of the assembly.
- 10) The weight of the EQSS System must be considered as part of the platform load.

In consideration for LGMG's authorization herein, the equipment owner hereby agrees to indemnify and hold harmless LINGONG GROUP JINAN HEAVY MACHINERY CO.,LTD and its parent and affiliated companies against any and all liability, claims, suits, losses, costs and legal fees caused by, arising out of, or resulting from the approved modification/application; the design, manufacturer and installation of any modification; the safety rules and operating instructions in the Operator's manual; the design and placement of any safety decals; the operation of the equipment by the owner, user and/or operator; and any negligent act or omission related to the equipment, its use or its modification.

BY PROCEEDING WITH THE MODIFICATION/APPLICATION AUTHORIZED HEREIN, YOU AGREE TO THE CONTENTS OF THIS LETTER AND ITS CONDITIONS. IF YOU DO NOT AGREE, DO NOT PROCEED WITH THE PROPOSED MODIFICATION/APPLICATION. IF ADDITIONAL CLARIFICATION IS REQUIRED, PLEASE DO NOT HESITATE TO CONTACT LINGONG GROUP JINAN HEAVY MACHINERY CO., LTD.
