

SWIFT EQUIPMENT

To whom it may concern,

This letter is to inform you of Swift Equipment's authorization to install the EQSS Overwatch Operator Detection System in the Swift tracked scissor lift model number TS06E.

Swift Equipment advises this system may not properly interface with the Swift range of tracked scissors lifts. This system may have an adverse effect on safety systems already built into the machine. Install this system at your own risk. Installation of this product may also affect the warranty of the machine.

Swift Equipment does not endorse this system or any claim to improve safe operation of the machine as made by the manufacturer of the optional system.

Always follow all safety practises and guidelines as advised by the operator's manual supplied with the machine. Training on the installed system is in no way intended to replace proper operator training for the machine.

The operator is always responsible for reading and understanding the machines supplied Operator's Manual and any effect this system has on the operation and safety systems of the machine as designed and manufactured. Always follow all safety practises and guidelines as advised by the operator's manual supplied with the machine. Training on the installed system is in no way intended to replace proper operator training for the machine.

The equipment owner hereby agrees to indemnify and hold harmless Swift Equipment against any and all liability, claims, suits, losses, costs and legal fees caused by, arising out of, or resulting from the approved system installed on the Swift range of tracked scissor lifts; any negligent act in the operation of the equipment by the owner, user and/or operator; the failure to comply with the criteria set forth in this letter related to the application; the design, manufacture and installation of any system designed or manufactured by any entity other than Swift Equipment; the safety rules and operating instructions in the Operator's Manual; the design and placement of any safety decals; the operation of the equipment by the owner, user and/or operator; and any negligent act or omission related to the equipment, its use or its modification.

BY PROCEEDING WITH THE APPLICATION AUTHORIZED HEREIN, YOU AGREE TO THE CONTENTS OF THIS LETTER AND ITS CONDITIONS. IF YOU DO NOT AGREE, DO NOT PROCEED WITH THE PROPOSED APPLICATION. If additional clarification is required, please do not hesitate to contact Swift Equipment
